

Date: Oct. 27, 2017
To: Vaddio Dealers
From: Jay Kilby, Dir of Product Management, Vaddio
Subject: WideSHOT - End of Life (EOL) Product discontinuation and transition notification

Effective immediately, Vaddio has discontinued the WideSHOT camera product line due to a critical component end-of-life.

We are working on a potential direct replacement solution that may be available as soon as early Q1 2018. In the meantime, we recommend customers consider our ZoomSHOT, ConferenceSHOT FX, or RoboSHOT Camera systems.

Discontinued Products

The following products are discontinued:

<u>Part Number</u>	<u>Description</u>
999-6910-000	WIDESHOT QSR SYSTEM
999-6910-500	WIDESHOT AVBMP
999-6911-000	WIDESHOT QUSB SYSTEM
999-6911-001	WIDESHOT QUSB SYSTEM INT'L
999-6911-009	WIDESHOT QUSB SYSTEM AUS/NZ
999-6911-100	WIDESHOT QMINI SYSTEM
999-6911-101	WIDESHOT QMINI SYSTEM INT'L
999-6911-109	WIDESHOT QMINI SYSTEM AUS/NZ

We apologize for any inconvenience this immediate end-of-life may have caused, and thank you for your patronage. Please contact Vaddio with any questions at 763-971-4400 or through our website www.vaddio.com.

Sincerely,

Jay Kilby
Vaddio Product Management Director
