

DOMEVIEW™ INDOOR PENDANT MOUNT DOMES

The Vaddio DomeVIEW Indoor Pendant Mount Domes are integrated camera mounting systems that are attractive, robust and easy to install. Designed for indoor security applications, the 7.3" (18.54cm) indoor pendant mount dome is provided with the internal brackets to support the option of using the Sony® EVI-D70 (see Figure 1) or the Canon® VC-C50iR PTZ cameras.

The DomeVIEW Indoor Pendant Mount Dome features the Vaddio EZCamera™ Cabling System that provides for fast and efficient installations using Cat. 5 cabling for video, power and control.

The Domes are formed from optical grade polycarbonate and are available in clear (standard) or smoked tint (optional). The DomeVIEW Indoor Pendant Mount Domes are excellent values that are high quality, attractive and durable solutions for a variety of indoor security applications.

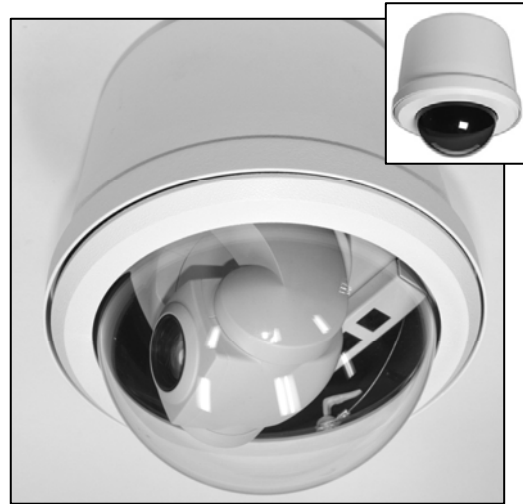

Figure 1: DomeVIEW Indoor Pendant Mount Dome System shown with Sony EVI-D70 PTZ camera and EZCamera Cabling Shoe mounted in the enclosure (Upper Right: Indoor Pendant Dome shown with smoke tinted bubble - clear is standard).
