

DOMEVIEW™ OUTDOOR, ENVIRONMENTAL PENDANT MOUNT DOMES

The Vaddio DomeVIEW Outdoor, Environmental Pendant Mount Domes are integrated camera mounting systems that are attractive, robust and easy to install. Designed for outdoor applications, the 8.2" (20.8cm) outdoor pendant dome is constructed with a heater/blower system and is equipped with the internal brackets to support the option of using the Sony® EVI-D70 or Canon® VC-C50iR PTZ cameras.

The DomeVIEW Outdoor Pendant Mount Dome features the Vaddio EZCamera™ Cabling System that provides for fast and efficient installations using Cat. 5 cabling for Video, Power and Control.

The Domes are formed from optical grade polycarbonate and are available in clear (optional) or smoke tint (standard on outdoor domes). The DomeVIEW Outdoor Pendant Mount Domes are excellent values that are high quality and durable solutions for a variety of outdoor security applications.

Figure 1: DomeVIEW Outdoor, Environmental Pendant Mount Dome System shown with Canon VC-C50iR PTZ camera mounted in the enclosure (Upper Right: Outdoor Pendant Dome shown with clear bubble - smoke tint is standard).
